

COMMUNICATION TEMPLATES

We've written the email templates below to assist you in sharing iTOVi with a potential customer or distributor in your downline. When copying the text, please be sure to personalize the email by replacing the text we've left in as a placeholder. These placeholders are marked between brackets [].

EMAIL TO NEW DISTRIBUTOR

Dear [New Distributor],

I am so excited for you to start your wellness journey! [Product Company Name] really is like no other wellness company, and our team is the best. We are happy to have you as our newest addition! Please feel free to contact me with any questions you may have, especially in the beginning stages of your business.

One thing that has truly helped me learn our product line and make recommendations for my clients is my iTOVi scanner. It's a portable scanning device that identifies unresolved biopoints of clients and gives product suggestions based on that client's specific wellness needs. This one business tool has helped me improve the lives of my clients at a much faster rate than I ever could have anticipated. I couldn't imagine being a distributor without this amazing device!

Here is my personal link you can use to purchase your own scanner: [referral link]

If you do decide to purchase one, please be sure to click the above link to see the purchasing options. This ensures that I receive credit for letting you know about this amazing tool.

Please let me know if you have any questions or want to try out the scanner for yourself. I am so excited for you to grow your business and change people's lives!
